5. Distribution of the LCFR Emergency Management Plan
   The LCFR Emergency Management Plan was distributed by email PDF to Board and Commission Members, Elected Officials. Keith explained the highest elected Official is in command and is the person of authority. A succession plan is adopted by the communities who adopt the plan. The job of the EOC Manager is primarily to work or go between the parties involved. Our plan was submitted to the County and is based on the County Plan. Each community will have to review and formally adopt the plan. Keith said it is a lot of information and once everyone has had an opportunity to review it we can make any necessary changes before adopting.
