Presentation and consideration of proposal to purchase Village owned property located at 4671 Vettleson Road

Administrator Douglas reviewed proposed plans regarding the intention of the interested party for the Vettleson Road property. The perspective buyer at his own cost has had engineering work completed for the property. Issues addressed included drainage and grading, the proposed location of the building site, screening along Vettleson Road, and the possible purchase of State land on the east and west sides of the property.

Attorney Gartner reviewed steps to be taken before the sale of this property can be considered by the Board.

Administrator Douglas reviewed the CSM submitted by Dennis and Karen Rasmussen per Village Code 6.18(16) extraterritorial jurisdiction. Property owners are splitting off 3 acres from the current 52 acre parcel for a home to be built by their son. Waukesha County and the Town of Merton have given their approval. Administrator Douglas recommended approval.

Motion (von Bereghy/Villavicencio) for final approval of a CSM submitted by Dennis and Karen Rasmussen per Village Code 6.18(16) extraterritorial jurisdiction. Motion carried

Review and consider an application to rebuild a detached garage on an existing foundation submitted by Chris & Elizabeth Harned of 5636 Pheasant Drive

Administrator Douglas reviewed the Harned application. The current detached garage will be razed and rebuilt on the exact same footprint. The approximate square footage is 761.2 sq. ft. and the location of the existing foundation meets the minimum setbacks and building separation requirements. All zoning requirements have been met.

Motion (von Bereghy/Villavicencio) to recommend final approval of the application to rebuild a detached garage on an existing foundation submitted by Chris and Elizabeth Harned of 5636 Pheasant Drive. Motion carried

Review and consider an Ordinance to Repeal and Recreate Section 1.10 in Order to Create and Establish a Municipal Court for the City of Oconomowoc, Village of Oconomowoc Lake, Village of Dousman, Town of Delafield, Village of Nashotah, Town of Lisbon, Town of Merton, Village of Sussex, Village of Hartland, Village of Lac La Belle, Town of Oconomowoc, Village of Summit, Village of Chenequa, Town of Erin Village of Merton, Village of Sullivan, Village of Johnson Creek (Contract Member), Town of Ixonia (Contract Member and Town of Ottawa (Contract Member) Pursuant to Sections 755.01(4) and 66.0301 Wisconsin Statutes; Ordinance No. 2017-04-10-03

Attorney Gartner addressed the Board on the need for this ordinance due to a position being taken by other municipalities involved with the Lake Country Municipal Court that the language in the statute requires all municipalities participating to adopt an identical ordinance each time a municipality is added. The Successor Agreement adds three additional contract members.
Motion (von Bereghy/Manegold) to approve the Ordinance to Repeal and Recreate Section 1.10 of the Village Code to include three additional Contract Members: Village of Johnson Creek, Town of Ixonia and Town of Ottawa. Motion carried

Review and consider the re-execution of a Successor Agreement for the Operation of the Lake Country Municipal Court a/k/a Municipal Court for Western Waukesha County (Pursuant to Section 66.031, Wis. Stats.; Resolution 2017-04-10-04)

Review and consider a draft Ordinance to Amend Section 6.03(2) Defining the Term “Accessory Structure”, Create Section 6.05(3)(d) Relating to the Designation of a Private Storage and Maintenance Facility as a Conditional Use and Repeal Section 6.05(4)(b)(x) Relating to the Minimum Acreage of a Site for a Proposed Conditional Use
Attorney Gartner explained that this ordinance will allow the Village to accommodate the Vettleson Road proposal if that proposal is approved. This amendment allows the construction of an accessory structure as a conditional use; the second creates a new section of the ordinance to add “private storage and maintenance facility” to the list of conditional uses; and the third change repeals the minimum acreage for conditional uses.

Motion (von Bereghy/Villavicencio) to set a public hearing date of Monday, May 8, 2017 at 6:30 p.m. for the consideration and adoption of an amendment to Section 6.03(20; create Section 6.05(3)(d) and repeal Section 6.05(4)(b)(x). Motion carried

Review and consider a draft Ordinance to Amend and Restate Section 5.23(1) Relating to Outdoor Lighting
Attorney Gartner reviewed previous discussions on outdoor lighting. The current code reads “no excessive glare” is to be cast on the property of others. Removal of the word “excessive” is one step that would clarify the requirement that no glare project onto other properties. Trustees were concerned with other outstanding issues, such as lighting fixtures, bulbs permitted, time periods which lights can be operated, etc. A sample model/guide of graphic depictions was passed out for consideration. Input was given by Committee Members regarding a possible guide/handout and a possible appendix to the code that describes the Village’s objectives. These changes will be incorporated in the next proposed draft to amend and restate Section 5.23(1) for next month’s meeting.
