Review and consider application for a new primary residence submitted by Mark & Sally Egan of 5780 N Pheasant Drive
Trustee Keidl reviewed the application submitted by M/M Egan. Final approval was recommended by the Plan Commission.
Motion (Villavicencio/Keidl) for final approval of the application submitted by Mark & Sally Egan for a new primary residence. *Motion carried*

**Review and consider Resolution No. 2018-02-12-01 Resolution Authorizing Execution of Agreement with Mark and Sally Egan Regarding 5780 N Pheasant Drive**

Attorney Luljak advised that the resolution relates to an agreement between the Village and the Egans which is intended to require the Egans to obtain a Letter of Credit in the amount of $50,000 and to also complete demolition of the existing home upon completion of the new residence.

Attorney Gartner advised the agreement was signed on Friday and $50,000 has been submitted by the Egans for placement in an escrow account.

Motion (Villavicencio/Syburg) recommended approval of Resolution No. 2018-2-12-01 as written. *Motion carried*

**Consider appointments to the Plan Commission, Fire Commission and Fire Board**

President Wilkey recommended appointments of Alan Enters to the Plan Commission; Tom Marshall to the Lake Country Fire & Rescue (LCF&R) Commission; and reappointment of Robert Bellin to the LCF&R Board.

Motion (Pranke/Keidl) to approve appointments of Alan Enters to the Plan Commission; Tom Marshall to the LCF&R Commission; and reappointment of Robert Bellin to the LCF&R Board. *Motion carried*

**Discussion concerning review and comment procedure for the recodification of Chapter 6 Zoning Code**

Attorney Gartner updated Committee Members on the status of the recodification of Chapter 6. Initially, the original focus was to be on technical issues and consistency throughout Chapter 6. However, after careful review with the Village Administrator, a number of substantive issues would be addressed as well. A rough draft of the proposed changes and comparison draft to the existing language will be sent to members of the Plan Commission, Village Board and Board of Appeals for review before the next meeting.

**Committee Reports**

- Lake Country Fire & Rescue Board - Trustee Bellin provided a report on service calls, revenue, and expenses. Outstanding results for 2017 year-end reflected $232,004.57 above approved budget, subject to final audit adjustments.
- Plan Commission – reported above

**Report – Village Forester**

Forester Lincoln submitted a written report on:

1. **Oak Wilt** – A large majority of land owners with Oak Wilt on their property have followed the proper measures to ensure that the infected trees are removed and discarded properly. There are still a few residents that have yet to remove their infected tree(s). Extensions will be granted to those who need more time.
2. **Right-of-Way Work** – When time is available, infested ash trees are being removed from the village right-of-ways. Due to limited reach on our bucket truck, Waukesha County’s forestry crew will need to be utilized to help remove any remaining large trees.

3. **Fleet Addition** – We recently took delivery on our newest truck in the fleet, a 2017 Ford F-550. The truck is equipped with a plow, v-box salter and chipper box. The vehicle’s primary use will be for snow plowing throughout the winter and as a chip truck in the off-season.

**Report - Village Administrator**
Due to the absence of the Village Administrator, a written report was prepared on the following topics:

1. **Board Room Carpeting**: The asbestos abatement has been completed. Production date for the carpeting has been scheduled for February 9th.

2. **Letter of Credit Required**: The Village Board is to review and consider a resolution for a Letter of Credit or Bond for the Egan property located at 5780 N Pheasant Drive. The Egans are requesting to keep and occupy the current residence until the new residence is completed. An agreement has been drafted by the Village Attorney and must be agreed upon and signed off by the Egan’s prior to a building permit being issued. The Egan application meets all zoning requirements. Mr. Zaiser, a direct neighbor to this address, has reviewed the plans. Mr. Zaiser’s only concern is the staging of equipment and materials as there is little room for staging equipment. Mr. Zaiser asked that the parties be informed that he would not like any equipment or building materials on his property, or the using of his driveway as a turnaround.

3. **Appointments**: Plan Commission: Alan Enters
LCF&R Board: Robert Bellin
LCF&R Commission: Tom Marshall

4. **Rental House Update**: The rental house is 95% complete with changes and updates. An Oconomowoc Police Officer will be renting the house.

5. **March Meeting**: In conjunction with the Town of Merton, a rewrite of Beaver Lake’s Ordinance and North Lake’s Ordinance has been drafted and ready for both communities to adopt. The primary change is to separate the two lakes into two ordinances as previously both ordinances were combined into one. No changes will be made to the substance of either lake’s respective ordinance. One revision that will be made to the Village and Town’s version is the Emergency High Water Mark for North Lake. There were conflicting levels in the ordinances and neither one was correct. The revision changes the North Lake water level where Emergency Slow-no-Wake is imposed to be consistent with North Lake Management District’s number.

6. **Zoning Code Revisions**: Attorney Gartner will update the Committee Members on Chapter 6 Zoning Code. Substantive changes are not the goal but there may be some needed at some point.

**Report - Village President**
President Wilkey requested the annual Lake Country Municipal Court report by Judge Kay be circulated to Trustees for review.
Report - Village Attorney
No report

Other
Trustee Manegold reported on a bear sighting. Forester Lincoln will follow-up on this matter.
