Letter of Recognition
Presented to

Nichole Hudson

In recognition of her involvement and intervention in what could have been a potentially serious incident on the evening of March 11th, 2019. Nichole observed flames coming from the chimney at a residence located at 5144 N. Hwy 83 in the Village of Chenequa, and took immediate action by alerting the family of her observations averting potential loss of life and property. The Chenequa Police Department expresses our sincerest gratitude to Nicole Hudson for her actions that evening and putting others safety first.

Robert A. Douglas
Chief of Police
WHEREAS, the Village Chenequa retained the firm of Reilly, Penner & Benton LLP to perform an audit of the financial statements of the Village of Chenequa for the year ending December 31, 2018;

WHEREAS, Reilly, Penner & Benton LLP has performed said audit and has presented its report to the Village Board of Trustees of the Village of Chenequa at the Village Board Meeting held on Monday, April 8, 2019; and

NOW THEREFORE BE IT RESOLVED that the Village Board of Trustees of the Village of Chenequa approves receipt of the audit conducted by Reilly, Penner & Benton LLP of the Village of Chenequa’s financial statements for the year ending December 31, 2018.

Committee Reports
- Lake Country Fire & Rescue – Trustee Bellin advised on calls and activities received to date.
Report – Village Forester
Forester Lincoln submitted a written report on:

1. **Oak Wilt**
   As we continue into March, the oak cutting season is winding down. The general rule is, you do not want to cut oaks after six consecutive days of 60 degree temperatures. We have been fortunate enough to have a long, hard winter. This not only extends the oak cutting season but it also allows for heavy equipment to be able to operate on otherwise soft soils. Residents who have had oak wilt on their property have been responsive and cooperative in removing the infected trees in a timely matter. We can only hope that continuing into future years we will see a trend towards smaller oak wilt pockets and less infected trees.

2. **Invasive Aquatics**
   An application has been submitted to the Wisconsin Department of Natural Resources for treatment of Eurasian Water Milfoil. Pine and Cornell seem to go through a cyclical trend of varying milfoil density and population. In recent years, the milfoil has been making a bit of a resurgence due to a variety of different factors. Fortunately, this long, cold winter should work in our favor to kill off some of our aquatic invasives due to decreased light and oxygen. We won’t know the current condition of Pine Lake’s invasives until we have the opportunity to launch a boat and check on traditional milfoil pockets.

Forester Lincoln reported briefly on the progress of the sharp shooting season. To date, 33 deer have been harvested, mainly immature bucks and antlerless bucks. Between bow hunting (40), sharp shooters (35) and car/deer accidents (16-25), approximately 100+/ - are taken each year. A summary of the sharp shooting program will be prepared for next month.

RESOLUTION NO. 2019-04-08-03

RESOLUTION RENUMBERING CERTAIN SECTIONS IN CHAPTERS 1 AND 4 OF THE VILLAGE CODE

The Village Board of Trustees for the Village of Chenequa, Waukesha County, Wisconsin, does hereby resolve as follows:

WHEREAS, Ordinance No. 2019-03-11-03, Amending and Restating Portions of Chapter 3 and Repeating and Recreating other Portions of Chapter 3, in order to move them to other Chapters, was adopted on March 11, 2019; and

WHEREAS, the Section numbers assigned to certain sections moved to other Chapters require updating for consistency and to make the Code more useable for members of the public and Village Staff.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Chenequa that the Village Clerk is authorized and directed to provide for the renumbering of certain Sections addressed in Ordinance No. 2019-03-11-03 as follows:

a) Sections 4.7 and 4.8 shall be numbered 4.6 and 4.7, and the balance of Chapter 4 shall be renumbered accordingly.

b) Section 1.13 shall be renumbered Section 1.14.

Adopted this 8th day of April, 2019

VILLAGE OF CHENEQUA

By: Jo Ann F. Villavicencio

Village of Chenequa

WHEREAS, In 1872 J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

WHEREAS, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

WHEREAS, Arbor Day is now observed throughout the nation and the world, and

WHEREAS, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife, and

WHEREAS, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

WHEREAS, trees in our village increase property values, enhance the economic vitality of business areas and beautify our community, and

WHEREAS, trees, wherever they are planted, are a source of joy and spiritual renewal, and

WHEREAS, Chenequa has been recognized as a Tree City USA by the National Arbor Day Foundation and desires to continue its tree-planting ways,

NOW, THEREFORE, Chenequa, does hereby proclaim April 26, 2019

ARBOR DAY

in the Village of Chenequa, and I urge all citizens to support efforts to protect our trees and woodlands and to support our village’s urban forestry program, and

FURTHER, I urge all citizens to plant trees to gladden the hearts and promote the well-being of present and future generations.

Signed this 8th day of April, 2019.

RESOLUTION RECOGNIZING
INTERNATIONAL MIGRATORY BIRD DAY

WHEREAS, migratory birds are some of the most beautiful and easily observed wildlife that share our communities; and

WHEREAS, many citizens recognize and welcome migratory songbirds as symbolic harbingers of spring; and

WHEREAS, these migrant species also play an important economic role in our community, controlling insect pests and generating millions in recreational dollars statewide; and

WHEREAS, migratory birds and their habitats are declining throughout the Americas, facing a growing number of threats on their migration routes and in both their summer and winter homes; and

WHEREAS, public awareness and concern are crucial components of migratory bird conservation; and

WHEREAS, citizens enthusiastic about birds, informed about the threats they face, and empowered to help address those threats can directly contribute to maintaining health bird populations; and

WHEREAS, since 1993 International Migratory Bird Day (IMBD) has become a primary vehicle for focusing public attention on the nearly 350 species that travel between nesting habits in our communities and throughout North America and their wintering grounds in South and Central America, Mexico, the Caribbean, and the southern U.S.; and

WHEREAS, hundreds of thousands of people will observe IMBD, gathering in town squares, community centers, schools, parks, nature centers, and wildlife refuges to learn about birds, take action to conserve them, and simply to have fun; and

WHEREAS, while IMBD officially is held each year on the second Saturday in May, its observance is not limited to a single day, and planners are encouraged to schedule activities on the dates best suited to the presence of both migrants and celebrants; and

WHEREAS, IMBD is not only a day to foster appreciation for wild birds and to celebrate and support migratory bird conservation, but also a call to action.

NOW THEREFORE, BE IT RESOLVED, I, Jo Ann F. Villavicencio, as Village President of the Village of Chenequa in Waukesha County, Wisconsin, do hereby proclaim Saturday, May 11, 2019 as International Migratory Bird Day in the Village of Chenequa, and I urge all citizens to celebrate this observance and to support efforts to protect and conserve migratory birds and their habitats in our community and the world at large.

PASSED AND ADOPTED by the Village Board for the Village of Chenequa the 8th day of April, 2019.

To whom it may concern,

The Department of Employee Trust Funds is writing to inform you of a change that requires you, the governing body of your municipality (Board), to sign and submit an updated resolution to participate in the Wisconsin Public Employers group health insurance program (WPE-GHIP). This will not change the WPE-GHIP that is offered to your employees and retirees. **Please sign and return the attached resolution as soon as possible and no later than October 1, 2019 to continue participation in the WPE-GHIP.**

The reasons for the need of this new resolution are as follows:

1. ETF has created one reference source for the WPE-GHIP. Previously, information was provided in a variety of publications such as: the *Local Health Insurance Employer Administration Manual* (ET-1144), the contract between the Group Insurance Board and the participating health insurance providers (ET-1136) and several employer bulletins. These resources are now combined into the *Local Employer Health Insurance Standards, Guidelines and Administration Manual* (ET-1144).

2. The original resolution the Board signed stated that the Board agreed to abide by the terms of the program set forth in the contract between the Group Insurance Board and the participating health insurance providers. With the movement of those contract provisions to this new employer manual (ET-1144), that resolution is no longer accurate.

Contract provisions that were moved into this employer manual were not materially changed. Signing this agreement does not bind the Board into any new or substantially revised provisions that haven’t already been communicated or implemented. The change was motivated by ETF’s strategic initiative to provide an improved experience for administrative staff.

If you have questions or comments, please contact ETF at ETFSMBEmployerInsurance@etf.wi.gov or 1-877-533-5020 select option 2 (toll free) or 1-608-266-3285 select option 2 (local Madison area).

Sincerely,

The Department of Employee Trust Funds
Attachment: Resolution ET-1169
RESOLVED, by the Village Board of the Village of Chenequa, that pursuant to the provisions of Wis. Stat. § 40.51 (7) hereby determines to continue in the Wisconsin Public Employers (WPE) Group Health Insurance program that is offered to eligible personnel through the program of the State of Wisconsin Group Insurance Board (Board), and agrees to abide by the terms of the program as set forth in the Local Employer Health Insurance Standards, Guidelines and Administration Manual (ET-1144).

We will continue to participate in the program option in which we are currently enrolled. If we wish to elect a new program option for 2020 we will file a separate resolution to do so.

All participants in the WPE Group Health Insurance program need to be enrolled in a program option. Individual employees cannot choose between program options.

The resolution must be received by the Department of Employee Trust Funds as soon as possible, but no later than October 1, in order to continue participation without lapse. If more time is needed, contact ETF.

The proper officers are herewith authorized and directed to take all actions and make salary deductions for premiums and submit payments required by the Board to provide such Group Health Insurance.

Certification

I hereby certify that the foregoing resolution is a true, correct and complete copy of the resolution duly and regularly passed by the above governing body on the 8th day of April, 2019 and that said resolution has not been repealed or amended, and is now in full force and effect.

Dated this 8th day of April, 2019.

I understand that Wis. Stat. § 943.395 provides criminal penalties for knowingly making false or fraudulent statements, and hereby certify that, to the best of my knowledge and belief, the above information is true and correct.

RESOLUTION NO. 2019-04-08-06

RESOLUTION DENYING CLAIM FOR EXCESSIVE ASSESSMENT

The Village Board of Trustees for the Village of Chenequa, Waukesha County, Wisconsin, does hereby resolve as follows:

WHEREAS, a claim for excessive assessment for 2018 pursuant to §74.37, Wis. Stats., dated January 25, 2019, has been served on the Village of Chenequa by Reinhart Boerner Van Deuren S.C., attorneys for Alasdair and Rachelle Cripps, owner of Tax Key No. CHQV0397997 in the Village of Chenequa, which claim was served on the Village Clerk on January 29, 2019; and

WHEREAS, this claim is for excessive assessment, resulting in excess tax in the amount of $6,170.00 plus interest thereon; and

WHEREAS, there is a presumption that the assessment is correct.

NOW THEREFORE, BE IT RESOLVED that the claim of Alasdair and Rachelle Cripps dated January 25, 2019, for excessive assessment for 2018 on parcel Tax Key No. CHQV0397997, resulting in alleged excess tax in the sum of $6,170.00 or any other amount, plus interest, is hereby denied.

IT IS FURTHER RESOLVED that the Village Clerk is hereby instructed to serve a certified copy of this resolution disallowing claim upon the claimant and its attorneys and agents by certified mail, with restricted delivery.

Dated this 8th day of April, 2019.

Deer Management

It is no secret that Chenequa has a higher than average deer density. Recent years have made it apparent that we continue to have an overabundance of whitetail deer in our community. Historical helicopter surveys suggest that we may have as many as 70-80 deer per square mile in the village. Comparatively, the DNR reports that Waukesha County as a whole has an average population density of approximately 20 deer per square mile.

To help control this overabundance have been taking a few steps to try and keep populations in check.

1. We are pushing area hunters to focus on removing a few does from a property before harvesting a “trophy”.
2. We are continuing to use Wildlife Services LLC. to sharp shoot deer from high density areas in the village.

This season baiting began in middle December 2018 and the last sharp shooting session was March 12, 2019. During this period sharpshooters removed a total of 41 deer from the village.

Additionally, 48 (known) deer were harvested by bow hunters in the village; an additional 4 were harvested on bordering land; 20 were killed by vehicles; and 2 were found dead on resident properties. This brings our annual total to 114 deer for 2018/2019. The chart below shows how 2018/2019 compares to previous seasons.
